

Anthony Tyler is a 1998 graduate of William R. Harper High School. He has been serving in the C.O.G.I.C for 25 years; the last 5 years as a Youth Sunday school teacher. As a young man, God has called him to preach the gospel. He was born and raised on the south side of Chicago. At an early age Anthony Tyler was told of health reasons that he wasn't going to make it, but by the grace of God-his faith, the promise. He can do all things through Christ who strengthens him.

Anthony was at first asked to join A.O.U.N.U, as leader of a career development and internship program for underserved Chicago youth, in April 2012. Anthony has volunteered as the Director of Futures and Options with All of Us & You Youth Center. Mr. Tyler works tirelessly to improve the long-term sustainability of the organization through board development and strategic planning, as well as through organizational growth and development in the areas of these programs, fundraising, and marketing. During Mr. Tyler tenure, the board of directors has grown from five to about nine members; a pre-internship program has been introduced which now serves over 100 youth. A strategic plan has been created and put in place for the next three years, the first development position has been created, and fundraising for the organization has dramatically improved. Mr. Tyler passion for the youth and the program's mission is coupled with commitment to excellence in all areas, which ensures continued improvements and growth in the program, infrastructure, and sustainability.
